

Deep Impact

**Heavy Duty, Chlorinated,
Foaming Degreaser For Concrete, Stone**

DEEP IMPACT is a powerful, chlorinated, foaming degreaser formulated to dissolve and suspend grease, oil, industrial lubricants, automotive and aircraft fluids and the heaviest common and protein soils. No other cleaner works faster or more effectively to clean even the heaviest soils from concrete, ceramic tile, brick, and all natural and manufactured stone surfaces. Fortified with chlorine to brighten cement and grouting, **DEEP IMPACT** is recommended for use in lobbies, restaurants, institutional kitchens, food processing plants, restrooms, and manufacturing and work areas. **DEEP IMPACT** contains no abrasives, is fast-acting, non-flammable, and biodegradable.

APPLICATION & MAINTENANCE

Heavy Duty Degreasing Of Concrete Or Ceramic Tile: Dilute one part **DEEP IMPACT** with 10 parts water (12.8 ozs. per gallon). Apply diluted solution liberally with a plastic watering can or mop. Let the solution stand for approximately five minutes, then scrub the application area with a low speed buffing machine (175-350 Rpm) or automatic scrubber equipped with a scrubbing brush, or by hand with a deck brush. Pick the solution up with a wet vac or mop. Deep Impact is a foaming degreaser so a small amount of defoamer may need to be added to the recovery tank to reduce foaming. Flood rinse the cleaned area with clean water, then pick up the rinse water with a wet vacuum or automatic scrubber.

Routine Degreasing Or Cleaning: **DEEP IMPACT** may be used at a lower concentration of between 1 part Deep Impact to 64 parts water (2 ozs. per gallon) and 1 part Deep Impact to 16 parts water (8 ozs. per gallon) for routine degreasing or cleaning.

SPECIFICATIONS

Active Ingredients	Alkaline detergents, builders, and grease- cutting solvents
pH	13.0 - 14.0
Free Ammonia	None
Free Alkali	<10%
Free Acid	None
Phosphates (Elemental)	0.05%
Abrasives	None
Color	Straw
Odor	Detergent odor
Solubility in Water	100%
Freeze/Thaw Stability	Minimum 3 cycles
Shelf Life	Minimum 1 year at room temperature
Flash Point	>250° F.
Weight Per Gallon	9.3
Biodegradable	Yes
Soil Suspension	Excellent

SAFETY INFORMATION

Health	2
Flammability	0
Reactivity	0
Personal Protection	D

Read Safety Data Sheet thoroughly before using.

IRRITANT

WARNING: Harmful If Swallowed. Causes Chemical Burns.

Contains Sodium Hydroxide CAS#1310-73-2. Avoid contact with skin, eyes, and clothing. Do not ingest. Wear eye protection, gloves and protective clothing when handling or using.

In case of eye contact: Flush thoroughly with water for 15 minutes. Get immediate medical attention. **In case of skin contact:** Wash thoroughly with soap and water. If irritation persists, get medical treatment. **If ingested:** Do not induce vomiting. Get immediate medical attention.
