Dear Mr. Pitrolffy-Szabo:

This is in reply to your request for compound authorization received on September 29, 1975.

Your product PERMANIZE CLEAN-ALL ALL PURPOSE CLEANER is acceptable as a floor and wall cleaner for use in official establishments operating under the Federal meat, poultry, shell egg grading, and egg products inspection programs.

Before using this compound, food products and packaging materials must be removed from the room or carefully protected. After using this compound, all surfaces in the area must be thoroughly rinsed with potable water.

Acceptance of this compound by this Department is in no way to be construed as an endorsement of the compound or of any claims made for it.

If any change is made in the labeling information or formulation, the authorization for use in official plants becomes void immediately.

Sincerely yours,

Donald D. Derr, Chemist
