

Citru-Clean

USDA Compliant, Multi-Purpose Citrus Cleaner/Degreaser

Citru-Clean, Cleaner/Degreaser is highly effective combination of natural citrus solvents and specialty surfactants. Citru-Clean's superior solvency and soil suspension properties make it an ideal choice for cleaning protein soils, animal, vegetable and petroleum based oils, fats and greases in schools, restaurants, hospitals, food processing and handling facilities, machine shops, warehouses, ships and commercial garages. Citru-Clean is safe for use on synthetic and rubber sports floors, stone, marble, ceramic tile, concrete, stainless steel and aluminum, fiberglass, formica and sealed wood. Citru-Clean can be used in automatic scrubbers, mop and wringer buckets or applied using trigger, pump or pressurized sprayers. Citru-Clean's non-corrosive, non-toxic and biodegradable formulation is exceptionally effective while being safe for maintenance personnel to use.

APPLICATION & MAINTENANCE

For cleaning floors, apply cleaning solution liberally but do not flood. Allow solution to sit and work for a few minutes, then agitate the solution with a buffing machine. Remove soiled solution with a wet vacuum or mop & bucket. Rinse the floor with clean water and allow to dry.

For other surfaces, dilute *Citru-Clean* according to the following recommendations and apply the diluted solution using a trigger spray bottle, pressurized sprayer, sponge, or cloth. Heavily soiled surfaces can be scrubbed using a bristle brush and then rinsed off. When used on stainless steel or formica, wiping with a clean lint free cotton cloth after cleaning will eliminate any streaks or hazing.

For:

Ovens, Grills, Heavy Degreasing

Dilution per gallon of water

64 - 128 Oz

Heavily Soiled Rubber, Ceramic and Concrete Floors,
Air Filters, Exhaust Fans, Range Hoods

12 Oz.

Tile Walls, Plastic Seats, Refrigerators
Ceramic Tile Floors, Concrete Floors, Plastic Sports Floors

6 Oz.

Stainless Steel Surfaces, Formica, Lighting Fixtures

4 Oz.

Counter Tops, Routine Cleaning

2 Oz.

SPECIFICATIONS

Active Ingredients	D'Limonene, water soluble solvents, synthetic detergents and alkaline cleaning agents
pH	12.5+/-0.5
Free Ammonia	None
Free Alkali	None
Free Acid	None
Phosphates	None
Abrasives	None
Color	Milky Yellow
Odor	Citrus
Solubility in Water	100%
Freeze/Thaw Stability	3 cycles
Shelf Life	Min. 1 year (30°F.-125°F.)
Flash Point	None
Weight Per Gallon	8.4
Biodegradable	Yes
Soil Suspension	Excellent

SAFETY INFORMATION

Health	1
Flammability	0
Reactivity	0
Personal Protection	B

Read Safety Data Sheet Thoroughly Before Using.

Contains D'Limonene CAS#6989-29-5, 2-Butoxyethanol CAS# 111-76-2, and Isopropanol CAS #67-63-0 and some alkaline detergents which may cause irritation in undiluted concentrations. Protective eye glasses and gloves should be worn during use. In the event of external or eye contact, flush thoroughly with clean water. In the event of eye contact or ingestion seek immediate medical treatment.
